The Speak Easy Association WA program consists of half-day workshops with enjoyable speaking and self-development activities. All conducted in a supported and positive environment. Workshops are appropriate for all levels though specifically designed for those who do not normally undertake these activities. Adults who stutter or with other speech difficulties, and other adults who wish to develop communicative confidence are encouraged to come along!

For more details or to register contact The Speak Easy Association of WA: 9225 4111 (office attended part-time) or seawa@speakeasy.org.au

Registrations are compulsory and numbers are limited so register early!
